

**Leimarembi Foundation (LFA)** plans to develop its own software, mobile app, and digital platform, it should be designed according to the Foundation's objectives and future growth. For a charitable trust or NGO, the following modules are generally useful and professionally accepted.

## **1. Official Foundation Website**

The website should include:

- About the Foundation
- Vision, Mission, and Objectives
- Executive Committee and Trustees
- Activities and Projects
- News and Events
- Photo and Video Gallery
- Annual Reports
- Donation Section
- Contact Information
- Membership Registration

## **2. Mobile Application (Android & iOS)**

Key features:

- Member Registration
- Digital Membership Card
- Member Directory
- Event Notifications
- Meeting Notices
- Circulars and Announcements
- Online Fee Collection
- Volunteer Registration
- Document Repository
- Feedback and Suggestions

## **3. Foundation Management Software**

### **Member Management**

- Member Database
- Family Information
- Senior Citizen Records
- Membership Status Tracking

### **Financial Management**

- Donation Records
- Membership Fees
- Receipts Generation
- Income & Expenditure Statements
- Audit Reports
- Bank Reconciliation

## **Project Management**

- Project Planning
- Activity Monitoring
- Beneficiary Records
- Progress Reports

## **Meeting Management**

- Meeting Notices
- Agenda Preparation
- Attendance Records
- Minutes of Meetings
- Resolution Register

## **4. Government Grant Management Module**

Useful for future funding:

- Scheme Database
- Proposal Preparation
- Grant Application Tracking
- PFMS Integration Records
- Utilization Certificates
- Compliance Monitoring

## **5. Cultural Preservation Module**

Since Leimarenbee is a cultural and social organization:

- Manipuri Heritage Archive
- Traditional Recipes
- Cultural Documents
- Oral History Recordings
- Traditional Songs and Dance Documentation

## **6. Health and Welfare Module**

Particularly useful for senior citizens:

- Health Check-up Records
- Emergency Contact Database
- Insurance Information
- Welfare Assistance Tracking
- Medical Camp Management

## **7. Digital Library**

- Trust Deed
- Bye-laws
- Circulars
- Government Notifications
- Training Materials

- Research Documents

## **8. Artificial Intelligence (Future Phase)**

- AI Chat Assistant for Members
- Automatic Meeting Minutes
- Grant Opportunity Alerts
- Translation (English–Manipuri–Assamese)
- Document Search System

## **Suggested Official Project Name**

For government and CSR purposes, a professional title could be:

**Leimarembi Foundation Digital Governance & Community Development Platform (LFDGCDP).**
